THE MUSTANG 1968

New school traditions accompanied the growth in the student body, the faculty, and physical facilities during Sahuarita's second year. This growth enhanced the progress of the individual learning and independent study concepts. It is through these two concepts that we as students receive the key to the future. . .a future in which the sky is the limit!

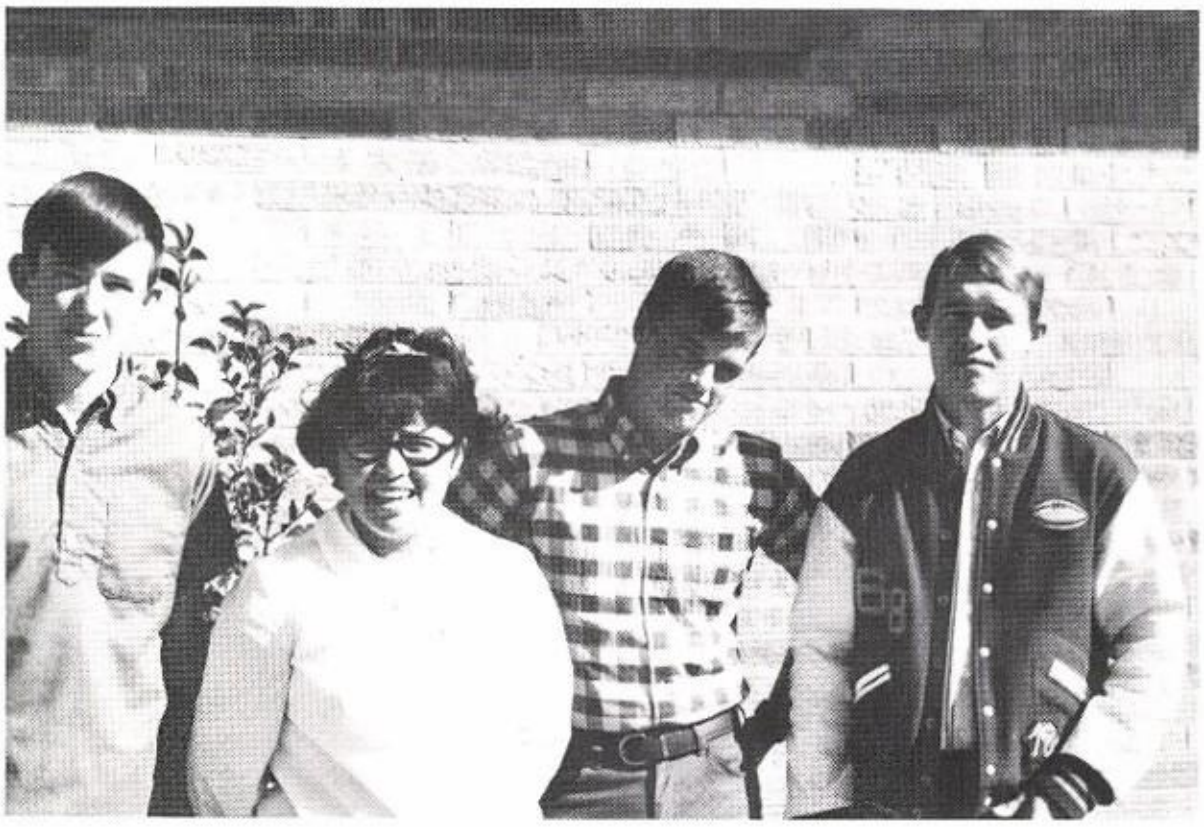
STUDENT BODY OFFICERS



Treasurer; Phil Davis, Secretary; Delia Lopez, Vice Pres. Pete Donau, President; Mike Ramsey

During the year the Student Council sponsored a successful toy and canned food drive, a school sweat-shirt sale, Red Letter Day, and several dances. The dances include the Student Council Mixer, and the Sock-It-To-Me dance. They also co-sponsored Homecoming. The Student Council set a good example of the way a student government should work and they set many traditions for our new school.

VARSITY CHEERLEADERS

Rose Courtney, Debby Tate, Terry Elam, Chris Tate, Molly Davis

The cheerleaders for 1967-68 have done much to raise school spirit. They have organized successful pep rallies and made posters to encourage the student body to attend the games. Pep rallies consisted of talks by coaches and players along with amusing skits by the cheerleaders and Pom Pons. The cheerleaders sponsored a "Spirit week" during which each class competed in promoting school spirit. The big responsibility of the cheerleaders has been to maintain enthusiastic support of the various teams.

POM PONS

The Pom Pon line this year contributed much to school spirit through their participation in pep-assemblies and their half-time performances at both home and away games. They also entertained the Pom Pon lines from several other schools during the basketball season.

GIRLS ATHLETIC ASSOCIATION

The Girls Athletic Association, a newly formed organization at Sahuarita, has accomplished a full school year of work. They elected officers, who were as follows: President and Student Council Representative-Dina Alegria, Vice President-Debbie Rickgauer, Secretary-treasurer-Annie Trujillo. The G.A.A. set up a point system, in which girls can earn letters and pins. Sahuarita was represented at the GAA-G.R.A. Leadership conference at the University of Arizona by four girls from the G.A.A. They sponsored a candy sale near Valentine's Day. The 67-68 service project was a scrapbook for the boy's baseball team. Among the sports they participated in were volleyball, softball, swimming, gymnastics, and basketball. The purpose of the G.A.A. is to promote friendship, good sportsmanship, an interest and participation in athletics, and to create an interest in health.

The girls made stuffed toys for a children's hospital. The F.H.A. had a Foreign Foods dinner for their mothers and sponsored a chili supper. Each girl in the F.H.A. made a uniform to be worn to meetings. The Little Sahuaro chapter was represented at the state meeting by five girls and two sponsors. A picnic in Madera Canyon completed a busy year for the F.F.A.
